

Let's Talk About Sex, Baby...

Lesbians and women who have sex with women (WSW) have many of the same health needs as other women, and that includes our sexual health.

In honour of Peterborough Pride Week, a free sexual health workshop for lesbian, bisexual and queer women will be facilitated by Rainbow Health Ontario.

Join us to talk about the risks, the rewards and the relationships!

Date: Thursday September 24th, 2009

Time: 7:00-9:00 pm

Location: PARN - 159 King Street, Suite 302, Peterborough, ON
